Responsibilities

Julian is the national leader of Aon's Construction and Infrastructure team of claim consultants. This group advocates for clients on a wide range claim issues including accurate reserving, appropriate resolution strategies, an expanded view of coverage, making clients better insureds to the marketplace and maximizing insurer and TPA service through best practices.

Experience

Prior to joining Aon in September 2008, Julian was Claims Counsel for AIG's Construction Risk Division, after practicing law in staff counsel and in private practice firms for more than 16 years.

He is known for his "4Cs" approach to claims management – client service, communication, competency and compliance. He is also recognized for his unparalleled expertise in scaffold statute litigation having authored the Labor Law § 240 in the New York State Bar Association treatise "Construction Site Personal Injury Litigation."

Julian has written for the *New York Law Journal's* Outside Counsel and Expert Commentary columns regularly for over 20 years. He has authored over 50 articles on insurance, coverage, tort liability trends and emerging issues in numerous trade, industry and law journals. He has been quoted in *Crain's New York Business*, *Claims Journal*, *ENR (Engineering News-Record)*, and *Business Insurance*.

Julian has presented at programs for the American Bar Association, New York State Bar Association, IRMI (International Risk Management Risk Institute), the Defense Research Institute (DRI), the Defense Association of New York (DANY), the Alpha Construction Conference, New York and California RIMS and for other many bar and trade associations.

He served as President the Defense Association of New York (DANY) from 2010 to 2011 for which he received the Defense Research Institute (DRI) Exceptional Performance Citation Award. He has also served on numerous committees of DRI.

Expertise

Julian has a successful record of identifying obstacles and solutions to claims disputes and spotting emerging issues and trends. Julian's thought leadership includes regularly publishing and speaking in the industry all with the goal of bringing key constituencies together to work towards successful resolutions.

Education

Julian graduated from Pace University School of Law and is licensed to practice in State and Federal Court, New York and Connecticut.
