

## SAFETY EXECUTIVES OF NEW YORK

### Professional Development Conference

## The 17 Gaps that Sabotage Your Emergency Plans & How to Fill Them

Active Shooters, Wildfires, COVID-19, Tornados, Civil Disorder—all of it emphasizes that emergency planning for your workplace is subject to many federal, state and local laws, regulations and standards. Most who are tasked with creating and maintaining emergency plans are confused or overwhelmed regarding those standards. Learn what laws, regulations and standards apply to your emergency planning, training and exercises. Learn what a lawsuit will do to you if you don't create a plan to standard. Learn the 17 gaps that can sabotage your emergency plans today and how to fill them.

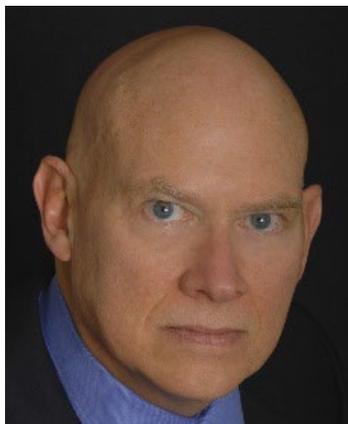

#### Learning Objectives:

- 1) What are the laws, regulations and standards that control emergency plans and training?
- 2) How will law suits affect you and your organization?
- 3) What should be the overriding attitude for managers in re-evaluating current planning and training?
- 4) What is the legal definition of training?
- 5) How will your own employees, clients, landlord and fellow tenants hurt your response to a disaster?
- 6) What to expect by way of help from local municipalities?

**Presentation Method:** Multi-Media
